ARTIST!

ABOUT ME!

Hi I'm Mossbudd! I'm a digital artist based in Ireland who primarily draws furry art! I've been drawing digitally since I was 10 y/o, and have been taking art commissions for the last 5 years! If you want some cool art of your fursona, or need help creating one, I'm your guy!

WHY SHOULD YOU COMMISSION ME?

- I've completed over 300 orders for clients all over the world!
- I'm very communicative and friendly!
- I'll draw any species and bodytype
- I'm happy to take on a challenge and draw something I've never drawn before!
- My body of work speaks for itself :)
